LETTER OF DEFICIENCY  
No. WMD 06-002**

Attn: Donna Digiovini, Divisional President

**Re: Nashua Corporation

EPA ID No. NHD000769869**

Dear Ms. Digiovini:

On December 14, 2005, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of Nashua Corporation ("Nashua") in Merrimack, New Hampshire. The purpose of the inspection was to determine Nashua's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Nashua was issued Letter of Deficiency No. WMD 06-002 (the "LOD"). Based upon a review of Nashua's submittals received since the inspection, DES has determined that Nashua has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Nashua's compliance status through record reviews and on-site inspections. This Letter of Compliance does not release Nashua from liability for penalties to which it may be subject for the violations identified in the LOD.

If you have any questions regarding this letter, please contact the lead inspector, Tammy Calligandes or me at (603) 271-2942. Thank you for your cooperation.

Sincerely,

John J. Duclos, Administrator  
Hazardous Waste Compliance Bureau  
Waste Management Division
